4-15 April

There is nothing quite like competing on the world stage in front of your family and friends. As a proud Gold Coaster, I can't wait to welcome you to the only city I've ever called home.

I'm honoured to be an Official Ambassador for the Gold Coast 2018 Commonwealth Games (GC2018) and to be a part of Australia's largest sporting event this decade.

The Gold Coast is excited and ready for GC2018. Each week as I drive past the Commonwealth Games Village at Parkwood on the way to study at Griffith University, it fills me with a great sense of pride knowing that the Gold Coast is going to be showcased to the world from 4 April, 2018.

With a range of affordable ticket prices on offer and free public transport for valid ticket holders on event day, spectators have no better reason than to make the most of this once-in-a-lifetime opportunity.

I invite you to join me as we share the dream to showcase Queensland and Australia to the rest of the world.

Your chance to be part of history

11 incredible days of world class sporting competition

The Gold Coast 2018 Commonwealth Games (GC2018) represents a defining moment for the Gold Coast, Queensland, Australia and for the Commonwealth Games.

From 4-15 April 2018, over 6,600 athletes and team officials from 70 nations and territories will converge on the Gold Coast to deliver 11 unforgettable days of world class sporting competition.

Live, loud and unforgettable

An extravaganza of 18 sports, including the first ever presentation of Beach Volleyball at a Commonwealth Games, and the largest integrated para-sport program ever, will be presented

in the first large-scale multi-sport spectacle to be hosted in Australia for over a decade.

For the first time in the history of a major multi-sport Games, there will be an equal number of medal events for men and women across all sports.

Whilst the action focuses on the Gold Coast, events will also be hosted in Brisbane, Cairns and Townsville to ensure that the benefits and excitement of the Games spread far and wide.

For over a million lucky ticket holders, the experience will be live, loud and unforgettable.

We want passionate fans in every seat, so the ticketing program is inclusive, accessible and affordable to make it simple for everyone to enjoy the Games.

Six simple steps to witness greatness

GC2018 will showcase the largest sports competition schedule in Commonwealth Games history.

Boasting the largest medal event program and the most number of sessions at a Commonwealth Games, GC2018 presents spectators with a wide variety of sports, venues and experiences to choose from.

As a result, it is important to plan ahead prior to ticket requests opening on 24 April.

Our six step graphic opposite explains the process simply and this guide will offer you all the information you require to help you create the most memorable experience possible.

In order to make it fair for everyone, tickets will initially be available via a Ticket Request phase. Ticket requests will be accumulated over a four-week period. No orders will be confirmed or payments taken until after the Ticket Request phase closes.

You can place a ticket request at any time during this phase. No preference will be given to the time of day or date a ticket request is placed.

Any sessions that have more ticket requests than there is availability will have tickets awarded via a fair and equal draw by computer and will be processed randomly.

Placing a ticket request does not guarantee success, but it does provide applicants with the best chance to secure tickets for the most in-demand sports sessions.

On pages 8 and 9 of this guide you will find a breakdown of ticket prices and event schedules.

The history of a modern sporting spectacular

From 4-15 April, 2018, the Gold Coast will create its own slice of history when it hosts the 21st Commonwealth Games.

It will be the fifth time Australia has staged the Commonwealth Games following Sydney (1938), Perth (1962), Brisbane (1982) and Melbourne (2006) – making Australia the nation that has hosted the most number of Games.

Significantly, GC2018 will mark the first time a Commonwealth Games will be held in a regional Australian city.

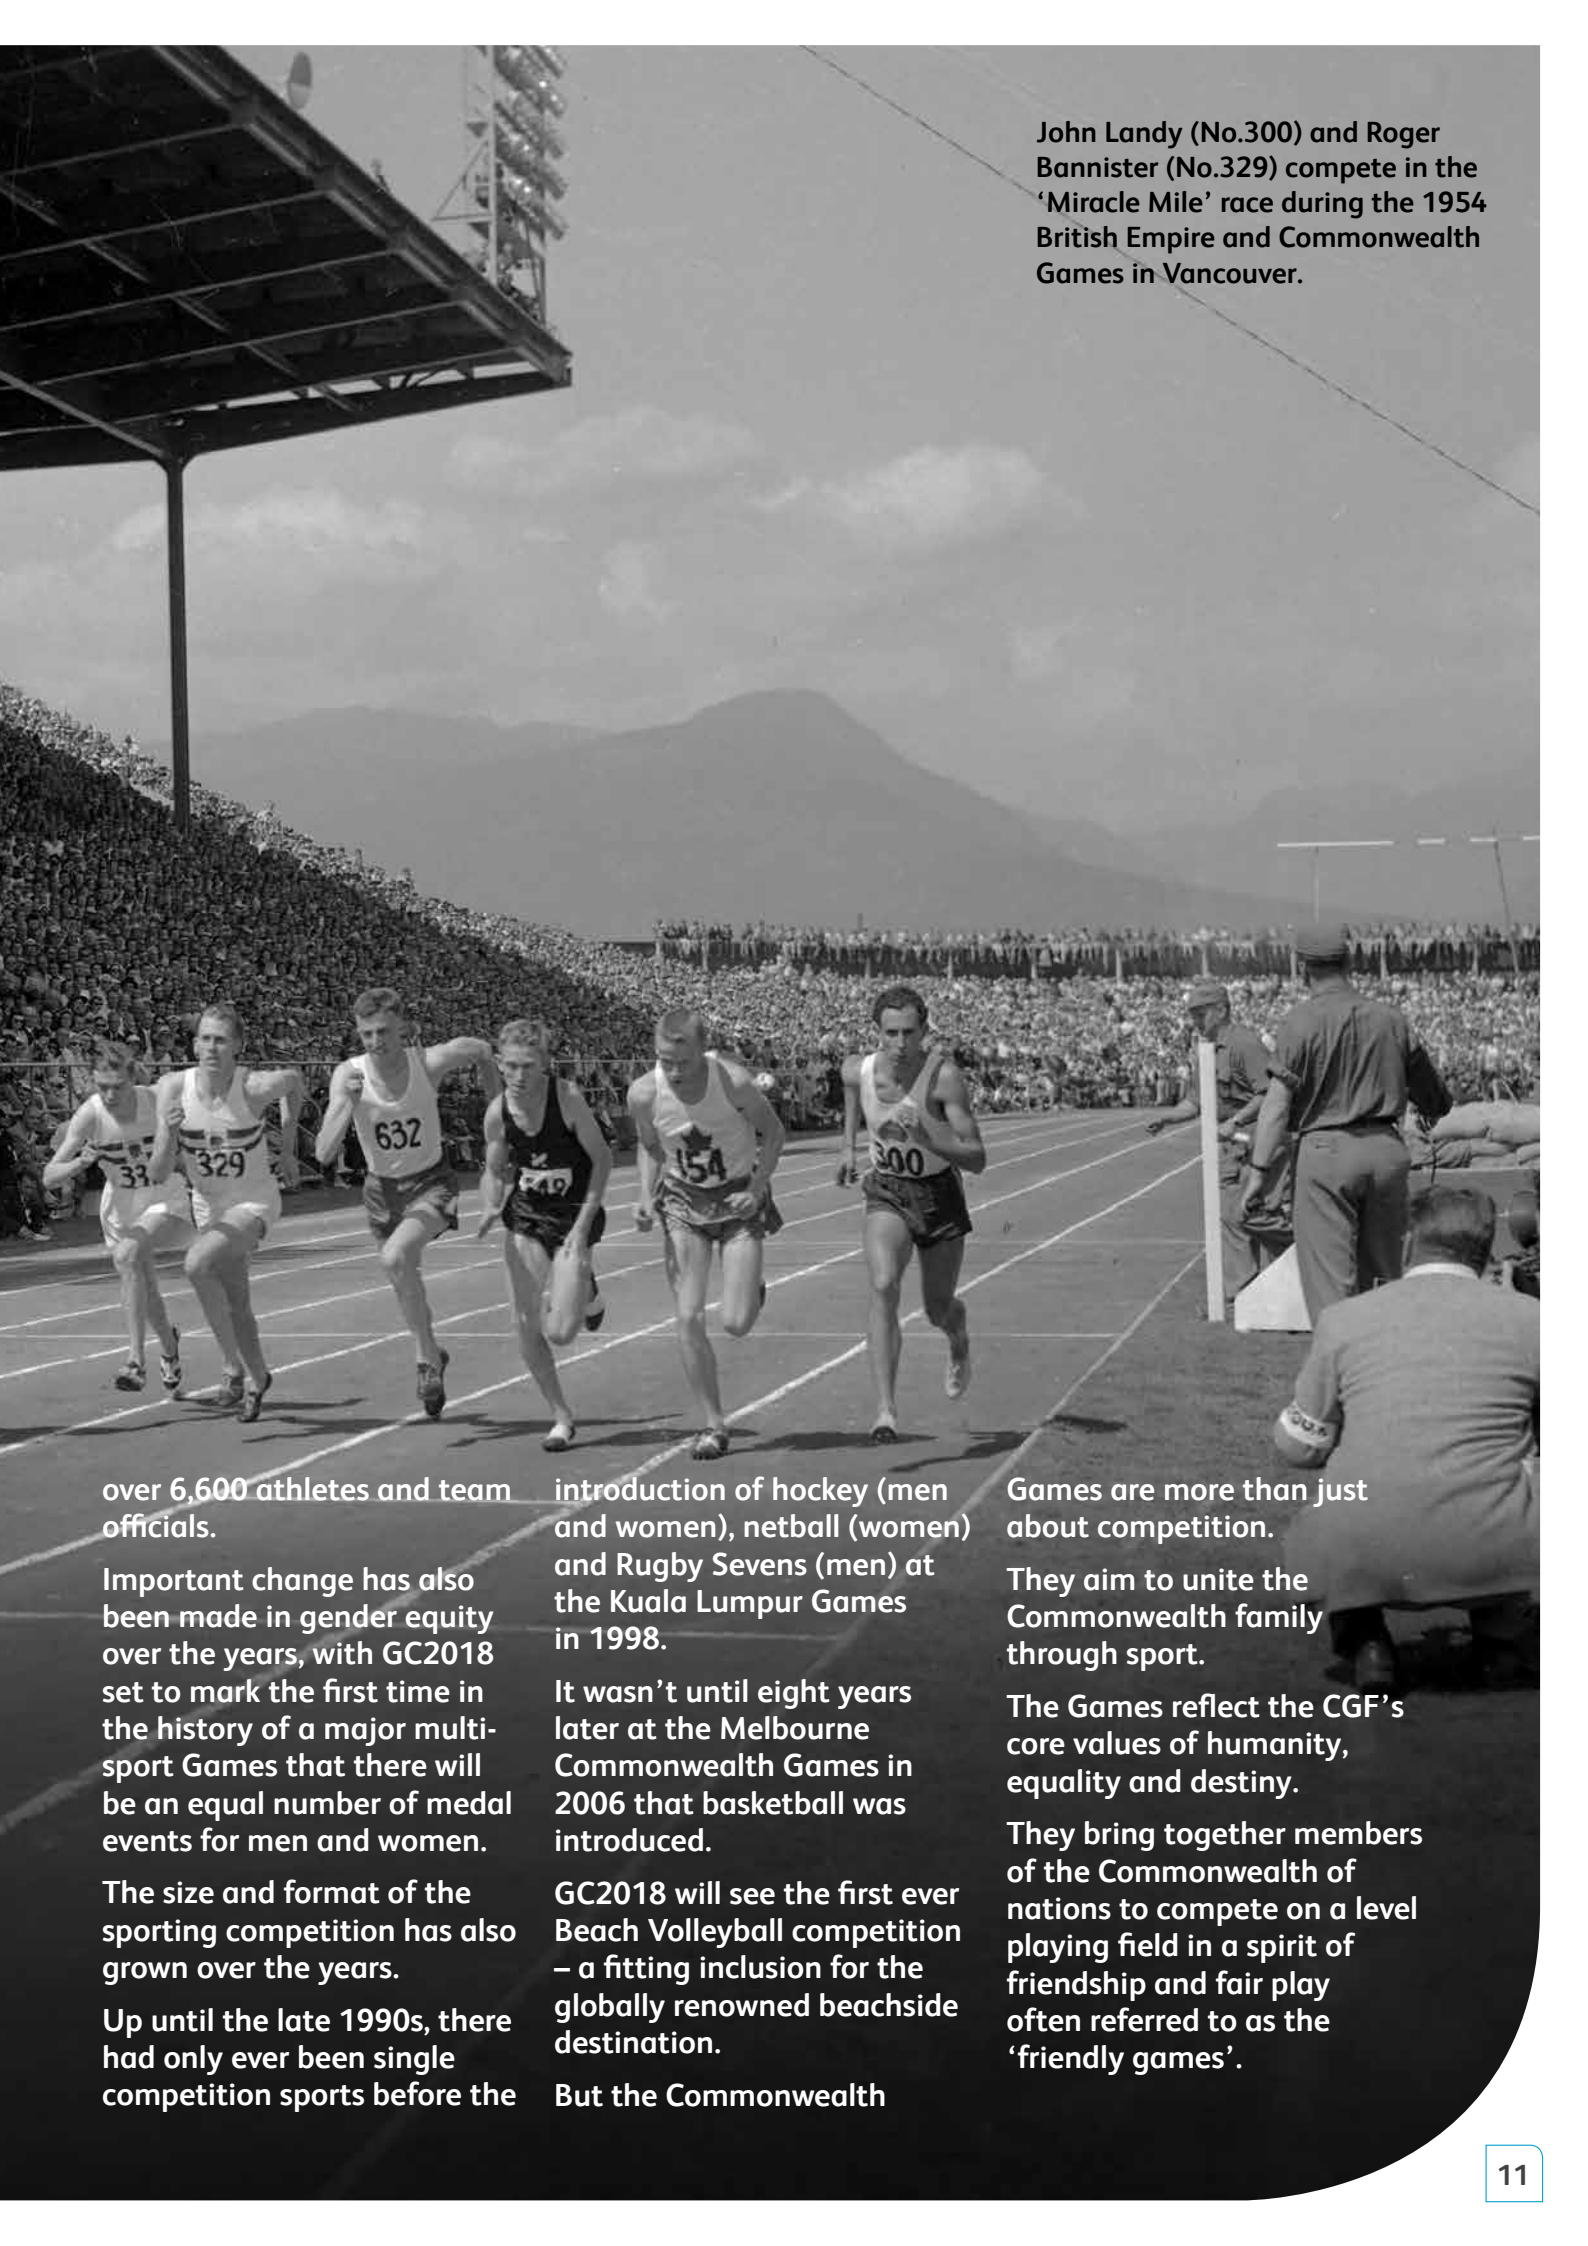

The Commonwealth Games have been conducted by the Commonwealth Games Federation (CGF) every four years (except for 1942 and 1946 due to World War II) since the first British Empire Games were held in Hamilton, Canada in 1930.

There have been many magical moments witnessed at the Commonwealth Games over the years, including the famous “Miracle Mile” at the 1954 Games when England’s Roger Bannister and Australian John Landy created history by both

breaking the four-minute mile in a race.

A key player in the staging of the first Commonwealth Games was sports reporter and administrator Melville Marks (Bobby) Robinson, who helped bring to reality what Commonwealth nations had been dreaming about for three decades.

Since then, the Games have grown from an event featuring 11 countries and 400 athletes to a modern sporting spectacular that includes 70 nations and territories and

John Landy (No.300) and Roger Bannister (No.329) compete in the 'Miracle Mile' race during the 1954 British Empire and Commonwealth Games in Vancouver.

over 6,600 athletes and team officials.

Important change has also been made in gender equity over the years, with GC2018 set to mark the first time in the history of a major multi-sport Games that there will be an equal number of medal events for men and women.

The size and format of the sporting competition has also grown over the years.

Up until the late 1990s, there had only ever been single competition sports before the

introduction of hockey (men and women), netball (women) and Rugby Sevens (men) at the Kuala Lumpur Games in 1998.

It wasn't until eight years later at the Melbourne Commonwealth Games in 2006 that basketball was introduced.

GC2018 will see the first ever Beach Volleyball competition – a fitting inclusion for the globally renowned beachside destination.

But the Commonwealth

Games are more than just about competition.

They aim to unite the Commonwealth family through sport.

The Games reflect the CGF's core values of humanity, equality and destiny.

They bring together members of the Commonwealth of nations to compete on a level playing field in a spirit of friendship and fair play often referred to as the 'friendly games'.

Largest integrated Para-Sport program

GC2018 is going for gold in its quest to deliver an inclusive Games and will proudly host the largest integrated Para-Sport program in Commonwealth Games history.

GC2018 will set a new Commonwealth Games record by hosting up to 300 para-athletes and 38 medal events across seven sports – an increase of 45 per cent more athletes and 73 per cent more medals compared to the para-sport competition staged at the last Commonwealth Games in Glasgow in 2014.

The GC2018 Para-Sport program has been developed by the Commonwealth Games Federation (CGF) with the International Paralympic Committee and other relevant international sport federations to showcase the best para-sport in the Commonwealth.

Athletics, Swimming, Lawn Bowls, Para Powerlifting, Track Cycling, Table Tennis and Para Triathlon will all be contested during the 4-15 April, 2018 event.

The swimming and athletics

para programs will double in size from previous Games, while Para-triathlon will make its anticipated debut at GC2018, building on the great success of the able-bodied Triathlon competition in Glasgow 2014 and the sport's increasing profile across the globe.

The first ever wheelchair marathon (T54) at a Commonwealth Games will take the inspirational thrill of para-sport competition to the streets and communities of the Gold Coast.

A remarkable journey unites the Commonwealth

The Queen's Baton Relay is the ultimate symbol of the Commonwealth Games. The Baton carries a message from Her Majesty The Queen on a journey through the entire Commonwealth to its final destination, the Games' Opening Ceremony.

On Commonwealth Day, 13 March 2017, Kurt Fearnley OAM delivered the specially-designed Baton to Buckingham Palace for the Queen to place her message inside. Anna Meares OAM and her former sporting rival and now friend, Victoria Pendleton CBE, were the first to receive the Baton from Her Majesty and take the first steps in what's destined to be a remarkable adventure.

Over 388 days its journey will bring the excitement of the Games to children and sports lovers around the world.

It will be passed between

thousands of people in every Commonwealth nation and territory through Africa, the Americas, the Caribbean, Europe, Asia and Oceania.

For the first time, the Baton will be showcased at the Commonwealth Youth Games in Nassau, Bahamas, in July.

And in Australia, more than one million steps will be taken by 3800

batonbearers – local legends that have been nominated by the public.

After travelling a record 230,000 kilometres, the Baton will finally arrive at the Opening Ceremony, where the Queen's message will be removed and read aloud to officially open the Gold Coast 2018 Commonwealth Games.

Her Majesty The Queen passes the Baton to Anna Meares OAM in the presence of CGF President Louise Martin at Buckingham Palace

Something for everyone

WHO CAN APPLY

I'm a resident of Australia, how do I get tickets?

All Australian residents can apply for tickets online.

Visit www.gc2018.com/tickets

I'm a resident of a Commonwealth nation or territory that is not Australia, how do I get tickets?

Some Commonwealth nations or territories have dedicated General Sales Agents (GSA) offering a dedicated sales site for tickets to the Gold Coast 2018 Commonwealth Games. Residents of a Commonwealth nation or territory should visit www.gc2018.com/tickets to determine if they need to purchase tickets through their local GSA. A list of authorised GC2018 ticket sales websites is provided.

I'm a resident of a non-Commonwealth country, how do I get tickets?

Residents of a non-Commonwealth country can apply for tickets online at www.gc2018.com/tickets

When are tickets available?

The Ticket Request phase will be open from midday 24 April 2017 to midnight 22 May 2017 (AEST). This will give you the best possible chance of securing tickets for the Gold Coast 2018 Commonwealth Games.

Any tickets that are remaining after the Ticket Request phase will go on general sale in July 2017.

Sign up to the newsletter at www.gc2018.com/tickets to ensure you don't miss out on any information on GC2018 tickets.

TICKET REQUEST PROCESS

What is the Ticket Request Phase?

In order to make it fair, tickets will initially be available via a Ticket Request phase. Ticket requests will be accumulated over a four-week period and no orders will be confirmed or payments taken until after the Ticket Request phase closes.

You can place a ticket request at any time during this phase. No preference will be given to the time of day or date a ticket request is placed.

During this phase a roll-down service will be offered whereby customers can indicate whether to accept a lower price category in their selected session, if unsuccessful in their initial price category request.

Any sessions that have more ticket

requests than there is availability will have tickets awarded via a fair and equal draw. The fair and equal draw is made by computer and processed randomly.

Placing a ticket request however does not guarantee success, it does provide customers with the best chance to secure tickets for the most in-demand sports sessions.

The Ticket Request phase will be open from midday 24 April 2017 to midnight 22 May 2017 (AEST).

Why do you use a Ticket Request phase?

We understand that tickets are going to be in high demand and that you may not be able to purchase tickets the moment they go on sale, therefore to make it fair and equal for everyone we are running a Ticket Request process.

We want to give as many people as possible the chance to attend GC2018, so everyone has four weeks to place an order. Your request will not be processed until after the Ticket Request phase closes and payment will only be taken if you are successful with a request. No one will be given tickets they didn't request.

How many tickets are available?

Over 1 million tickets will be available. We won't purposely be holding seats back for later sales phases, so this is your best opportunity to secure the tickets you want.

What does a ticket provide access to?

A ticket will provide you with access to a GC2018 ceremony or sport session. Sessions are defined as an individual sporting event, or group of individual sporting events, held in close timing to each other at one specific venue, whereby one ticket per person is sold to cover attendance. Sessions for each sport are clearly identified in the Competition Event Schedule online at www.gc2018.com/tickets.

Is there a limit on the number of tickets I can purchase?

Yes. Please refer to the Competition Event Schedule in this guide or online at www.gc2018.com/tickets for ticket limits per session within a sport or ceremony.

Is it possible to receive only a portion of the Ticket Request I submit?

Yes, if you apply for tickets across more than one (1) session it is possible to receive only a portion of the total ticket request you submit due to some sessions being in high demand.

All sessions will be processed separately. Where sessions have more ticket requests than there is availability, tickets will be awarded via a fair and equal draw. Therefore you will either be

successful or unsuccessful for a session. For example, if you request four tickets for a session of Athletics, you will either be allocated all four tickets or none. This does not affect your chances of being allocated tickets for other sessions if you have requested them.

Can I amend or cancel my Ticket Request?

We recommend you think carefully when making your ticket request and only request what you can afford – cancelling or amending a Ticket Request cannot be done online. If you decide you do really need to amend or cancel your request, you can do so while the Ticket Request phase is open (between midday 24 April 2017 and midnight 22 May 2017 (AEST)). We ask all requests are submitted in writing to tickets@GC2018.com.

You cannot amend or cancel a ticket request once this phase closes at midnight on 22 May 2017.

How do I book accessible seating?

Please call our accessibility line on 1300 21 2018 and select option 2. If calling from outside Australia +61 7 3404 6735 Monday to Friday 9am to 8pm, Saturday, Sunday and Public Holidays 9am to 5pm (AEST). (Please note, call costs will apply).

GC2018 is affiliated with the Queensland Companion Card program and we are committed to providing an accessible Games with accessible seating tickets available in all GC2018 competition venues.

When will I find out if I have been successful with my ticket request?

Once the Ticket Request phase closes at midnight on 22 May 2017 all ticket requests received will need to be checked and validated. The draw is then made by computer and processed randomly. We anticipate this process to take approximately 4 weeks at which time you will receive an email providing further information prior to any payment being taken.

Can I resell my tickets?

Ticket resale is prohibited. Please read the Ticket Terms and Conditions carefully to understand your rights and obligations.

Can tickets be returned or exchanged?

A refund or exchange of a ticket/s are only applicable if the event is cancelled, rescheduled or relocated and you cannot or do not wish to attend the rescheduled or relocated event.

PAYMENT AND PRICES

What are Price Categories?

Price categories are an indication of seat locations inside venues. Tickets in

price category “A” will provide seating that is generally closer to, or provides a more desirable location by, the field of play when compared to tickets in lower price categories.

All price categories will provide a great Games experience.

Price categories will be clearly identified on the competition event schedule as well as online when you go through the Ticket Request process.

To increase your chances of obtaining tickets during the Ticket Request phase, a roll-down service will be offered whereby customers can indicate whether to accept a lower price category in their selected session, if unsuccessful in their initial price category request.

For example, if you choose only Category A and your request cannot be fulfilled you will receive no tickets. If you choose the ‘Category A or lower’ tickets, you have a chance in all price categories for that session until a time you are either awarded tickets for that session or availability is exhausted.

What payment methods can I use?

We accept all major credit and debit cards (Visa, MasterCard, American Express and Diners Club).

We are not able to accept payments by Cheque or PayPal.

Will there be any added costs to the advertised price?

Tickets sold for GC2018 include all ticket fees and credit card fees in the advertised price. You may choose to have tickets delivered in a way that will incur a charge, such as posting them via recorded delivery or to an international address, but there are options for everyone that do not cost anything additional than the price we advertise.

When will I need to pay for my ticket request?

Payment for successful ticket requests will be processed in June 2017. A reminder will be sent before we take the payment. Please ensure you have sufficient funds available at this time and your credit or debit card expiry date is valid.

You will only be charged for the value of the tickets you are successfully allocated.

When will I get my tickets?

Tickets will be distributed from January 2018 via your chosen delivery method. We will send you a reminder prior to distribution commencing to check your delivery address details if you have chosen to have your tickets sent via mail.

Does the ticket cover public transport to venues?

The advertised ticket price includes free

public transport on event day within the South East Queensland TransLink public transport network, the Cairns TransLink bus network and on the Townsville qconnect bus network when a valid event ticket is presented.

Are ticket prices the same for Australian and overseas residents?

Yes, advertised ticket prices for GC2018 are the same for everyone.

Do you offer concession tickets for children?

Yes. Children aged 16 and under as at 4 April 2018 are eligible for half price tickets where available. Visit www.gc2018.com/tickets to view the full list of ticket prices.

Do I need to purchase a ticket for my baby?

Infants under 2 years of age as at 4 April 2018, are granted free entry to GC2018 ceremonies and sports sessions providing they enter with, and sit on the lap of, an adult parent or guardian who possess a valid ticket. Infants cannot occupy a seat of their own and only one infant may enter with one Adult.

Are there any free events?

Yes, there are four events that will be free to the public: Cycling - Road Race, Cycling - Time Trial, Marathon and Race Walk. You do not require a ticket to attend these events.

SEATING

What does ‘General Admission seating’ mean?

If you are buying tickets for a session that has General Admission or General Admission by Section seating, these areas are operated on a first-come, first-serve basis. When you arrive at a venue you will be directed to available seats or sections by our event staff.

What does ‘Reserved seating’ mean?

Reserved seating is when a ticket is assigned a specific seat at the venue or location. Seats are typically identified by section, row number/letter and seat. For sessions that have reserved seating, you will need to sit in the seat/s assigned to you.

Can I choose my seat?

During the Ticket Request phase tickets are applied for in a specific price category for a specific session, rather than for specific seats. Seating plans will not be finalised until late 2017 at which time a seat assignment process will take place. All seats will provide a great Games experience.

If my friends or I have multiple requests for one session, can I get seats together?

Seats from a single request will be

placed together. Unfortunately, we are unable to process multiple requests together. Each ticket request will be processed separately so as not to affect the fairness of the process.

If you are buying tickets for a session that has General Admission seating and/or General Admission by Section, your ticket will have the appropriate section listed on it. When you arrive at the event you will be guided by event staff to available seats.

For sessions that have reserved seating, you will need to sit in the seat/s assigned to your ticket.

What time should I arrive at the event?

Due to the higher number of people in the region, please leave plenty of time when planning your journey to the venues. GC2018 will be sending more information out throughout the year to help you plan your Games experience and detailed Spectator Event Guides will be available online at www.gc2018.com next year closer to the commencement of the Games.
